

Good afternoon Partners,

Each year CenturyLink requires that all of its SubAgents and their employees whom are selling CenturyLink services complete a yearly compliance agreement.

If the SubAgent ID has not completed this agreement before **01/15/2018**, you will be suspended from entering orders in their system and it could require you to reapply to this program.

Upon logging into ASAP you will be prompted with the following screen. Click on the link titled **Go to Compliance Agreement**.

Thank you for your continued partnership. If you should need anything at all, please do not hesitate to let us know.
