Universal Compatibility
Works with any TV, cable box or satellite IR remote control—there’s no need for two remotes.

Easy Setup
Get up and running in minutes, the included HDMI cable lets you plug directly into the sound bar from the TV—power-up and you’re ready to go.

Wireless Music Streaming
Includes WiFi, Google Cast and Bluetooth—stream music directly from your smartphone, tablet or other compatible device.

Ultra-Compact Size
Fits tight spaces and still delivers big, room-filling audio. Don’t let the size fool you—this is that big Polk sound you love from a little bar.

Night Effect
Don’t wake your family or neighbors and stop straining to hear the evening news. With Night Mode, one button lowers the bass and increases VoiceAdjust delivering clear dialogue all without raising the master volume.

Take Control of Everything You Hear
In addition to master volume, the remote control includes separate bass and VoiceAdjust volume settings.

Expect Great Sound
Having built our reputation as “The Speaker Specialists” for more than 40 years, we take pride in our superior sound and build quality, which features many patented and award-winning audio innovations like Dynamic Balance and VoiceAdjust technologies. For the people of Polk, building audio products is not just a job—it’s a passion. And if you’re going to remember one thing, remember this: We live by the truest principle of what audio should deliver—great sound at an affordable price for everyone!
